GREATER  
CHICAGO  
- FOOD -  
DEPOSITORY

The Greater Chicago Food Depository, Chicago's food bank, believes a healthy community starts with food. We are at the center of a network of more than 700 partner organizations and programs – food pantries, soup kitchens, shelters, mobile distributions and other partners – working to bring food, dignity and hope to our neighbors across Chicago and Cook County. The Food Depository addresses the root causes of hunger with job training, advocacy and other innovative solutions. We are a proud member of Feeding America – the national network of food banks. By working to help those most in need go from hungry to hopeful, we truly become a Greater Chicago.
